ATTORNEY GENERAL

Ms. Cynthia D. Swartz
Attorney for College Station I.S.D.

OR91-048

Dear Ms. Swartz:

In your letter of October 26, 1990, assigned ID# 10933, you asked whether certain information was subject to required public disclosure under the Texas Open Records Act, article 6252-17a, V.T.C.S. In our response, designated OR91-581, we informed you that the information did not meet the requirements of the section 3(a)(3) exception to the Open Records Act, in that the litigation to which the information related had, to the best of our knowledge, terminated. We have since received information indicating that litigation involving the same subject matter and same issue is reasonably anticipated. In light of this information, we advise that you may withhold the descriptions of legal services provided in the fee bills at issue in this case until further litigation of this matter can no longer be reasonably anticipated. At that time, however, you must release the contested information.

If you have any questions about this ruling, please refer to OR91-048.

Yours very truly,
